**Subject:** SB 1094 <<Not-Sensitive>>

Mr Smith,

I would like to take this opportunity to voice my support for the defeat of this bill. It is an infringement on the rights of law abiding citizens and a classic overreaction to tragic events, which American politicians have become famous for. What's next? The Judiciary committee will be looking at banning buses since 14 people were killed on I 95 a few weeks ago.

Respectfully,

Joe Sasso  
Stonington CT
